

Garmadon and the exploded planet

Lord Garmadon was sleeping at school when the Earth exploded.

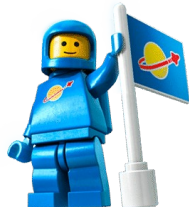

He woke up and went looking for the guilty man. Three years later, Garmadon found him. It was his second son, Gilbert, who was taking revenge on his dad.

But why?

Because Garmadon forgot to look after him. He apologized and he went away with his son.

GILBERT

Vocabulary:

-guilty : coupable

-apologize : s'excuser
