

## THE DISPUTE

Rogh was reading on the beach when Harry said «Hello ! », he sat near him and then he suggested to eat an ice cream. Rogh didn't hear because he was concentrated on his book. Little by little, Harry was beginning to get angry so, suddenly, he got up, took Rogh's book and ran away.

Rogh was surprised of this reaction ! Harry was running when he accidentally tore a page of the book.

Rogh saw some pink creature coming toward Harry... It was a beautiful pink unicorn !!! She came to Harry and caught the book to give it back to Rogh.
